11: <<< Component List >>>
12: 0.22uF          C1          CAP196
13: 100uF/16V       C2          CAP196
14: LED             D1          RES400
15: LM741           IC1         DIP8_3
16: NE555           IC2         DIP8_3
17: Power           J1          JUMPER2
18: Buzzer          J2          JUMPER2
19: Piezo element   J3          JUMPER2
20: 12k              R1          RES400
21: 12k              R2          RES400
22: 4.7k            R3          RES400
23: 1M               R4          RES400
24: 150k            R5          RES400
25: 1k              R6          RES400
26: 100             R7          RES400
27: 100k            R8          RES400
28: BC548           T1          TO92
29: 10k             VR1         POT
